Dear friends,

I recently received a call from Hamilton College, asking if I might like to join the Chaplaincy team, and especially in a role to support the staff. I was also asked if I might be willing to lead a lesson or two for the Religious Education class. Of course, I accepted. The school is within our Parish and I have been developing links there for some time. What I did not expect was that the first topic might be “Judgement: Heaven and Hell”!

Well, I like a challenge! We started by discussing ancient views on what the afterlife might be like, before describing some of our more modern ideas and how they had developed. We then looked at how diversity in a group can have an affect on views. Our culture, religious upbringing, exposure to philosophies, and even personality, can have a bearing on how strongly we hold a range of beliefs. Throughout, and finally, we discussed the importance of judgement in life, from a court of law through to the X-Factor. We included concepts of leniency, ransom, pardon, fines, reparation, honour, capital punishment, and, most importantly to the Christian faith, grace.

The reality of our own sense of justice and judgement hinges on so many of these factors and more. It's common to hear the phrase “that's not fair”, from adult and child alike. Yet, we know that life often does not seem fair. Having a friend, confidante, or advocate can help a little. But, in the final analysis, we rarely have all the facts at our disposal; we rarely understand all the thoughts and motivations that influence people's actions; we sometimes don't even understand our own response to things. We just know that something doesn't feel right, or just, or true. It's a gut thing, borne of experience and environment. It also varies from person to person.

Perhaps because there is so much variation in understanding and behaviour, that is where grace is even more necessary. Grace to understand. Grace to be tolerant. Grace to turn the other cheek. Grace to rest in God's presence, even when we do not understand. Grace to accept God's grace for us, in this life and the next. That might not always feel fair, but it is certainly gracious. May God be gracious to us all.

Your Minister and friend,

*Ross*

## Finance and Gift Aid

No doubt you will have been aware of the work in the halls to upgrade the heating system. This will hopefully make the rooms much more comfortable for all organisations using them. The funding for this project came from the Fabric fund. The General Trustees held some of this fund from the sale of redundant buildings however, this account has now been closed and all our funds are held locally.

As we come to the end of another year, I would like to thank the counting team of Ian, Armour, Jim and Craig. We are indebted to them for appearing every Monday morning to count and bank our offerings. When the Royal Bank on Cadzow Street closed they had to make their way down to the new bank at the cinema. The new systems the bank uses are challenging to say the least but they have taken it all in their stride – thank you gentlemen.

I will soon be submitting our claim for Gift Aid. Can you please remember to tell me if you have moved house during the year, have stopped paying tax or there has been a change in your circumstances which might affect the claim.

Can I once again thank each and every member of the congregation for your financial support and wish you all a Merry Christmas and a Blessed New Year.

*Marilyn Henderson*

## A New Star

“A New Star” is Drama Kirk’s nativity for 2019. It presents the nativity from the perspective of the stars. There is a new star in the sky who doesn’t know what Christmas is (although he has heard about selection boxes). A more experienced star decides to take him in hand and explain what is important about Christmas and why it is celebrated. But just who does this old star turn out to be? What does the new star find out about Christmas? And does he get his selection box?! Join us to find out the answers!

This year we are delighted to be part of the Reindeer Parade again on 7th December at 12.30pm. This is an important part of Drama Kirk’s outreach work into our local community as it provides a wonderful opportunity to share the Gospel with young families alongside secular celebrations. Our Business Improvement District, who organise the parade, have been extremely supportive of working in partnership with the churches and are looking forward to having us as part of the parade.

From the parade, we head up to Wellhall Care Home where we will perform for the residents. The following weekend we have a new venue, Clyde Valley Farm Park at Crossford. The farm park offers a lovely family package of Christmas entertainment, including traditional games, a train ride, some crafts and a visit to Santa. It is a privilege to share the news of Jesus’ birth as part of this.

Chris McLeish, a professional actor who joined the cast of The People’s Passion as John, will play the New Star and we look forward to welcoming him back. HOPC’s own Jim Henderson will play the Old Star, giving us the benefit of his worldly wisdom! Many others from our own congregation and others are involved in bringing this important story to life. Please give them your support – and bear a thought for Marilyn as she designs costumes that light up!

## Company Section

We held our Enrolment Service and Company Section Presentation of Awards on Sunday 22 September 2019. As always we are very grateful to the Minister in his capacity as Company Chaplain for conducting a very meaningful Service and Act of Dedication for the boys and officers. Thanks are due also to Graham Horne for preparing and presenting a thoughtful and memorable Children's Address. If you missed it then it's well worth a look on the Church's website.

The following awards were presented:

### **James Alston Dykes Indian Challenge Medal for General Efficiency**

The medal is awarded based on the points awarded to the boys throughout the year for attendance on Company nights and at Parades, for their participation in all of the Battalion competitions and events, and for their general conduct. It requires huge commitment and hard work throughout the full session. Continuing on from where he left last year, when he shared the award with his brother Colin the winner this years was:

**EUAN DAVIDSON**

### **John Allan Award for the Most Improved Boy**

The John Allan Award for the Most Improved Boy (or as the officers prefer to call it - "the boy who was slightly less annoying than last year") is also assessed looking at points gained during the year in comparison to the year before. This year's winner was very well deserved. He made a very significant contribution to the Company, most notably in participating in all of the Battalion Sports events that led to us sharing with the 2nd Hamilton the Cunningham Memorial Battalion Sports Trophy. It is the first time the 1st Hamilton's name appears on the Trophy which is great credit to all the boys who took part, adding their own chapter to the Company's history.

This year the most improved boy was:

**CAMERON MCINTOSH**

### **Bible awards**

The Bible awards are far more straightforward. Each year the Battalion has its Bible competition with the boys split into junior and senior age groups. They answer questions on Old and New Testament passages. The marks from the Bible competition are then used for our own awards. This year the junior competition was very close with all of the boys doing exceptionally well – but the award went to:

**LEWIS CHISHOLM**

All of the seniors also did well.

Again it was close but this year's award went to:

**EUAN BAIRD**

### **Mr and Mrs A Harley Squad Challenge Trophy**

The Mr and Mrs A Harley Squad Challenge Trophy for the Best Squad is awarded by adding up the points for each boy and then dividing them to reach an average mark across the squad

The winners of the Best Squad were Squad One:

**EUAN BAIRD  
CAMERON MCINTOSH  
LEWIS CHISHOLM**

## **PRESIDENT'S BADGE**

We had one further and very important presentation to make.

This year another of our senior boys completed his President's Badge. The President's Badge is the second highest award in The Boys' Brigade. The Company Section badgework programme is divided across different areas: Community, Recreation and Skills – all underpinned by Christian Faith

Each year the boys work their way through the different levels. To gain their President's Badges they have to achieve Level 4 in each of the different areas. They must attend a Battalion Training Course to build leadership skills. They must show commitment and good conduct within the Company, and finally, they have to be recommended for the award by the Company Captain.

The President's Badge is not achieved easily. It is not designed to be. It requires hard work, commitment, dedication and perseverance. It also requires guts and determination.

These qualities have been shown for years by the young man in question, and especially when we were out on this year's Battalion Expedition weekend. Early in the hike, while crossing a burn, he sprained his ankle pretty badly. He knew there was a long and hard day ahead. He could have taken the easy option and hobbled back to the campsite. But that was not his - or the 1st Hamilton's - way. Instead he strapped his ankle and continued with the next stage of the hike, which involved climbing the steepest of the hills on the route at just under 2000 feet, and then going on to walk the remaining 10 – 15 miles. Guts and determination – or maybe he's just a bit daft. Probably a combination of all three !

In achieving his President's Badge he has reached a very significant milestone in his BB life, and it now enables him to embark on the work for his Queen's Badge

To present the award we wanted to find someone in whose life The Boys' Brigade has played a very significant part, not only in having served in Brigade himself, but also within his family. Over the years, despite being hugely supportive of his family and the Company, work commitments meant that he had missed out on many of the Company Services and Presentations of Awards.

Fortunately not again – and there was no one better to make the presentation than his dad, Iain Davidson.

The very well deserved recipient of his President's Badge

**EUAN DAVIDSON**

The new session is now well underway. The boys are already heavily involved with badgework and preparing for Battalion competitions. More of that in due course.....

## **Sunday Live**

Following the summer break, our new session is well underway and the children are enjoying a variety of crafts and activities and are collecting items for their reverse Advent Calendar. With Christmas not too far off, rehearsals for the nativity are now in full swing under the watchful eye of Liz. On Sunday 15 December we're looking forward to performing our nativity in the Church and then over to 'The North' Hall for Christmas Pie Sunday. All going well we may even manage a Christmas Party on Sunday 22 December!!

Wishing you all a Merry Christmas and Happy New Year!

*The Sunday Live Team*

## Anchor Boys

The session is well under way and the boys are having lots of fun.

We have welcomed back Kalan, Kyle, Max and Nolan and are delighted to be joined by our newest member Evan, who joined after the school October holiday.

The next few weeks will be a busy time with Halloween fun and then Christmas crafts, games and a party.

All boys in primary classes 1 to 3 and who are aged 5 to 7 are invited to join us on Wednesdays at 5.30pm.

*Nanette McLean*  
*Leader in charge*

## Junior Section

The new session is well underway, and we are delighted to welcome Gregory Blackman, Elliott Dickson & Blair McIntosh who have all joined us from the Anchor Boys.

We also welcome Euan Davidson who is doing his Company Service with us, as part of the work required for his Queens Badge.

The Annual competitions have already started, the first of which was the Cross Country in which Stuart Davidson represented us.

This session the boys have started a project, under the guidance of Graham Horne. The boys are building a Bug Hotel using logs, wooden pallets, bricks, leaves etc. This is going extremely well, and is already "under construction" in the graveyard.

Next on the agenda will be an outing to the Ten Pin Bowling with the Company Section.

A warm invitation is extended to all boys between 8 - 11 to join us on Wednesday evenings between 6.30 & 7.45.

*Leader in charge*

## Brownies

We started back in September with a few girls turning 11, which is Guide age, over the summer holidays so have decided to run our current pack as brownie/guides and welcome Andrea and Gillian Davidson along to help with this as they have Girl guide experience .

If anyone knows of any girl who is 7-10years Brownies or 10years plus guides, please say to them to come along on a Tuesday evening

We are holding our annual Halloween party this Tuesday 29th October so hopefully the girls will enjoy it as they took part in the planning of it.

We are planning a visit to Motherwell civic theatre at end of November to see the annual pantomime Beauty and the Beast .

We are still awaiting ideas from the girls as what they want to do at Christmas possible party/bowling/movie night.

*Brownie/Guide Leaders*

## Saffronhall Singers

It was great to welcome everyone back at the beginning of October and, because we started a bit later than usual, we began right away to work on our Christmas music. This year, we have two engagements in December, one at Bothwell Castle Golf Club on Sunday 1st December and our own Carols by Candlelight in the church on Friday 6th December at 7.30 pm. Once again, this is a fundraising venture to support church funds, run in conjunction with the Fellowship Committee and Betty's Tea committee. We are really grateful to everyone who helps make this a joyful start to the festive season.

We were delighted to welcome one new member into the alto section this session, but very sorry to lose one of our sopranos, Isobel Neilson, who has been a member since very early on. We wish her well. Our numbers remain very healthy and attendance has been excellent so far.

Our final meeting of 2019 will be on Monday 9th December (with some festive goodies) and we will recommence on Monday 6th January 2020 at the usual time. In the meantime, best wishes to everyone in the congregation for a peaceful and happy Christmas and New Year.

*Campbell Barr*

### Prayer

**God of all grace,**

**forgive us when our sense of justice**

**overtakes the need for grace.**

**Grant us grace to meet the trials of life,**

**and grace to be humble in the successes.**

**Help us to accept your grace to us and others,**

**even when we feel it might not be deserved.**

**For grace is grace**

**and you are gracious.**

**Amen.**

## Choir

Choir continue to meet each Wednesday evening when we have a busy time covering Introits and Anthems generally over a five week period of planning. This does involve a big commitment from all the sections and I appreciate their attendance particularly as we come into the winter months. With four anthem books and a hymnary to transport, music cases, in various forms, can be weighty!!

During the past months we have had changing circumstances in our group.

Robert Buttery died in August, and had 75 years of involvement in choirs in Churches in Cleland from 1944, through to Auchingramont in 1965 and then into The Old Parish. Bob possessed the now rare talent of reading by solfa, and this saw him diligently work through, in pencil, every new piece helping him sing his music accurately in any key. A wonderful skill, which allowed his beautiful tenor voice to sing out on a Sunday morning. He was always a willing and competent singer to take on a solo part at any time. Bob found immense pleasure in singing, and gave sterling service to Choir over many many years. On behalf of Choir we give thanks for all that he meant to us as a very dear friend.

Alasdair Gordon died in September and was a relative newcomer to Choir in 2012. Alasdair joined the Bass section and for any church choir having 5 basses is the bedrock of confident harmony. Alasdair was meticulous in his music involvement in Choir, and I know worked at his preparation of each new piece with diligence, and perseverance. He was an ideal member to help us read our Latin texts with accurate pronunciation. Alasdair continued to receive his music folder during the time of his illness to share in the weekly involvement of Choir in the service. On behalf of Choir we remember him for the fortitude he showed over many months and the warm friendship he shared with us.

The final meeting of Choir this session will be on Wednesday 18th December when all music covered to 15th December should be returned for filing. We will resume our meetings on Wednesday 8th January at 7.00pm.

## Monday Club

The club has met several times now in the new session, with a good turn out from the membership. We have gained several new members and we have also room for a few more! So do not hesitate to join us on a Monday afternoon, as we have plenty of space yet to fill in 'The North' Hall.

We have two more meetings left in the current session, on the 11th November we have J.Rexter with "A Child's view of WW2" and on 25th November we finish the first session with our Christmas Lunch.

13th January our speaker is the Rev Christopher Rankin and we will have our Financial AGM

27th January Roy Johnstone will speak about Burns.

10th February Liz Vasey's subject will be the Hamilton Food Bank

24th February TBC

9th March we have a musical afternoon with the Cadzow Quartet.

23rd March is the AGM and Jim Henderson will give us a presentation on his visit to China.

6th April we hope to run our annual outing; final details to be advised.

Can I take this opportunity to wish everyone a Merry Christmas and a Good New Year from myself and the committee.

God Bless

*Charlie Duguid*

## Drama Kirk

The Drama Kirk Governance Committee continues to meet in advance of each Kirk Session meeting to oversee the delivery of the three-year programme of work that is HOPC's Fresh Expression of Church. As well as the projects outlined in more detail in "Tidings", the Committee would like to highlight to you the many opportunities to enjoy scripture with Drama Kirk throughout 2020, including our summer walking project "Walk with the Word: Emmaus" which will follow in the footsteps of Christ and his followers in the days after the crucifixion, leading up to the ascension. This is planned for Saturday 8th August. We will again offer three interactive bible studies, on Sunday 2nd February, Tuesday 19th May and Tuesday 29th September, all at 7pm.

As we draw close to the end of the first year of the project, the Committee would like to extend its thanks to those who have given so much of their time by supporting this work, ensuring that we can deliver fresh and innovative ways for our local community to engage with God's Word.

## Fellowship Committee

At the time of writing, we have had a charity lunch where a sum in excess of £500 has been raised for Lanarkshire Cancer Care Trust. The exact sum will be known once the final bill has been paid.

The planning for the annual Carols by Candlelight on Friday 6 December, at which we will be assisting, is under way and more information will be given in the intimation sheet.

The congregational Christmas Lunch is fixed for Sunday 8 December following the morning service and menu choice and payment of £15 for over 12's can be made in the Pillar Hall on Sundays until 1 December.

We are looking at holding an informal "lunch with Burns" meal on Sunday 2 February after the morning service. Again more information nearer the time in the intimation sheet.

Can we take this opportunity to wish everyone a very Merry Christmas and a happy and prosperous New Year when the time comes.

## World Mission

Our Convener, Very Rev Dr Susan Brown shares her thoughts on having faith like a mustard seed.

With nothing more than a little water added, a tree sprouted. I used the avocado stone as an illustration at a recent baptism. The children being baptised were, through the water being sprinkled on them, being watered in the faith. I told the congregation in the hope that one day that faith would take root and flower and go on to bear fruit.

Jesus had a much better illustration. He talked of faith even as tiny as a mustard seed being able to produce a bush big enough for birds to perch in it. For us in our congregations, there are many little ways in which our faith as individuals and as Christian communities can be encouraged to grow and the Church's world mission council would humbly suggest that one way is to involve ourselves, in partnerships and relationships with the wider Christian body throughout the world. It offers opportunities for people of all ages to make connections, to find inspirations and encouragement in our Christian journey and to help others to do the same.

*Nessie Garrett*

## Creche

Our creche, which is held in the halls next to the office, is available every Sunday morning from 10.30am until the end of the Church service.

All babies and young children up to the age of three will be made very welcome.

*Catherine Southgate*

## One Good Friday

Our Passion Play 2020 is a wonderful testament to Christian Unity as we perform the same play at the same time as eight other UK towns and cities. It is really exciting to be part of this project and offers us opportunities to learn and grow with other teams. We remain the only Scottish location and (as far as we are aware) the only full-scale Passion Play planned for Scotland next year.

Our performance in Hamilton will be on Good Friday at 3.15pm. The cast will have some involvement with the evening services during Holy Week. It is hoped there will also be a performance in East Kilbride on Easter Saturday however we are still working to find a suitable location.

Nicholas Elliott joins us again to lead our cast in the role of Jesus. We are all very much looking forward to working with him once more.

Please do consider how you might support this; either by getting involved yourself or by helping us to involve others. You don't need any experience – you just need a heart for sharing the Gospel. If you could help with sewing, painting, hammering, catering, stewarding, acting or in fact anything, please let us know.

*Congratulations* to Eilidh McCrudden who was presented with the Baden Powell Award, the highest award in the Guide Section of the Girlguiding Movement. Well done!

*Thank you!*

Thank you for the Church flowers, lovely cards and good wishes I received whilst in hospital.

*Lettie Craig*

*The Buttery family* were quite overwhelmed by the kindness, cards and flowers received when Bob died. We would like to thank all of our friends for their support at this sad time.

*May Andrew* would like to thank everyone for their kind thoughts, calls, cards, visits and of course the church flowers. She is very appreciative and is now home regaining strength and hopes to return to worship in the very near future.

*Carole Gordon* wishes to thank everyone for expressions of sympathy and support, and a huge thank you to all who contributed to Alasdair's funeral tea. The offering at the Church in aid of Kilbryde Hospice amounted to £772.00.

*Nessie and Craig*, would like to thank you all for the good wishes, cards and gifts we received on our Diamond Wedding Anniversary. Everything went well, especially our holiday afterwards to Dubai to visit our son Craig, and Jill and Scott.

### World Mission Prayer

Mustard seed faith, Lord Jesus,  
is faith your quiet presence and  
unseen Spirit can grow  
until it is being enough for all to see  
and strong enough to move mountains.

Give us the courage, we pray,  
to let the faith we have increase in us.  
Let its roots deepen as we find  
the goodness we need for growth  
in our relationship with you, Lord:  
With your Word and through you,  
with your people - wherever they may be.

Water us well through our involvement  
with our sisters and brothers  
so that we and they,  
may bear fruit for all to see  
that points to your love and goodness.

In Jesus, name we pray.  
Amen

### Faith

You know just every care we have,  
- our fears and worries too.  
Help us to grow in depth of faith  
as we bring our thoughts to You.

We often cannot find the words  
to say what's in our heart,  
but You can see our every need  
- and faith and trust impart.

Strengthen us in our darker hours,  
refresh our lives anew.  
Remind us that our constant hope  
lies in our trust in You.
