

# HOW IT WORKS

## PLEDGING A TALENT

Decide what talent you want to pledge this can be anything if you have a talent you can pledge it.

It can be baking, card making, knitting, a lift for a day's shopping in fact anything.

You will be donating your time and talent to the church other people will bid for that talent.

### How to Pledge

Take a slip of paper from the shelf below write your talent at the top of the slip and then pin the slip to the board.

Don't forget to leave a method to contact on the slip.

Place all relevant details on the slip e.g. If your pledge is date sensitive (day out etc.), If you are making something the time you would need to complete the task.

You can decide how long your pledge remains on the board but don't leave it too long 1 month at the most put a closing date on your pledge you can re-pledge if you want to.

People will bid for your talent the highest bid wins the talent.

When the time is up contact the winning bidder and make arrangements to make good on your pledge.
